PROFESSIONAL EXPERIENCE

Faherty | Clothing Brand

Summer 2020

Summer Intern for Women's Design Department

- Collaborated with fellow interns to create a presentation for the CEOs and Board of Directors that proposed ideas (and products) for a future season that would help to further uphold the company's values
- Designed products and graphics for a future collection (as part of the collaborative interssn project)
- Recorded notes from fitting sessions, inputting them into slides along with item's flats and fit photos for the department to review
- Organized various season's CADs for merchandising department
- Researched inspiration and trims

Stitch Luxe | Pattern making company/luxury clothing brand

Summer 2019

Summer Intern

- Assisted in constructing garment samples, filling out cutters musts and garment flats, and pattern making by cutting out and lifting patterns
- Sourced materials which involved getting acquainted with several shops in the garment district and assisted errands that included picking up garments from other associates of the company
- Employed to perform similar tasks with supervisor's other business: Feign (luxury brand).

David Milosevich Casting | Casting agency

NYFW Spring 2018/19 Fall 2019/20

Intern

- Organized models and their respective materials for casting sessions and runway shows
- Assisted in organizing models backstage during a NYFW show

Anthropologie, Westport, CT | URBN company retail store

Summer 2018, Winter 2018/19

Seasonal Sales Associate

- Returned tried-on items to racks, ensured displays were in good order before closing, brought new sale items to the floor while marking down prices, and assisted with store closing
- Aided customers with store items and solved various customer issues
